

## Songtext "I Don't Feel Hate"

Bb  
I don't feel hate  
Gm  
I just feel sorry  
Eb F  
you feel so very clever whenever you find another way to wear me down  
Bb  
But I don't feel hate  
Gm  
I just feel sorry  
Eb F  
so you can wiggle with that middle finger it'll never wiggle back to you  
Bb  
'cause i don't feel

Bb Db Bb A7 Bb Db Eb F  
Sorry  
Bb Db Bb A7 Bb Db Eb F

Bb Gm  
I really don't care that you want to bash me  
Eb F  
do it with flair and I'll let you be  
(I'll let you be common Eileen)

Bb Gm  
but don't you dare, mmm, to get angry  
Eb F  
when you realise those words just don't hit me (whaaat?)

Cause I don't feel hate  
I just feel sorry  
you feel so very clever whenever you find another way to wear me down  
But I don't feel hate  
I just feel sorry  
so you can wiggle with that middle finger it'll never wiggle back to you  
'cause i don't feel  
hate

sorry

I really don't mind to be your rival  
cause for your kind it's essential for survival (say what)  
(he did not just say that)  
yes I did, and I feel sorry, I don't feel hate, that's the whole point of the song

Bb  
I guess you need patronization  
B  
as some kind of validation:  
C  
you won't cope with the frustration  
Db  
that your random me-fixation  
D  
is another affirmation  
Eb  
E F  
that you're just a hateful person who's not really better than me!

Bb Gm Eb F  
(trumpet and whistle duet)  
Bb Db Bb A7 Bb Db Eb F  
(tap break)

(I don't feel hate)  
I don't feel hate  
(I just feel sorry)  
I just feel sorry  
(you feel so very clever whenever you find another way to wear me down)
